

Club House Newsletter

February 2018

Hope everyone is doing well; we are doing great here at Clubhouse. We are excited to have hired two new teachers, Anna and Fabi. They are a great addition to The Tree House / Club House family.

Parent Discussion Night -Thank you, to all the parents who joined us for the parent discussion night on January 17. We know everyone has a busy schedule, so we appreciate you taking the time to join us.

February 9 is Preschool Pancakes for Parents-Come and join us for a pancake breakfast anytime between 8:00 a.m. - 9:00 a.m.. Your children love to have you visit their school. Did you know that parents who show interest in their child's school have children who are more successful in school? Can't wait to see everyone there!

February 19 is President day- Clubhouse will be closed. Enjoy the day off.

Bears- The Bears have really settled in and are great addition to the afternoon fun at The Club House. Inside they enjoy listening to Kidz Bop and their favorite song is "You're Welcome from Moana". Art is also a hit, Lily especially loves all the projects. Carly has adopted Emma as her little sister. You will find Carly helping Emma or reading to her. This group loves to go outside, you will find Kaylee and CJ looking for worms, Kenzie is busy baking delicious desserts out of sand and having bake sales. Will loves to build volcanoes in the sand and then pours water on it and Noah and Ryan love to play tag. All of the bears are so kind and helpful to the cubs. We love this about the mixed age class!

Cubs- The cubs are adjusting well in our program. They have been enjoying doing art- some don't enjoy the sensory feel of paint and wash their hands every time they get paint on their hands. Our favorite book this month was "The Little Raindrop". At circle time hey enjoy singing "Rain, Rain, Go Away" and "Heads, Shoulders, Knees, and Toes." Outside they love playing with the tools and playing with the balls, especially when the balls roll to the driveway. Gus, Linden and Julien love playing soccer. You will see Emma and Will painting the clubhouse or fixing it with tools. Emily and Linden love racing on the tricycles. Anna enjoys playing in the kitchen area with Gus and Emily. We are excited to have Reed and Zachary join our program.

REMINDER-Parents please check your child's cubbies everyday for art and dirty clothes.

If you ever have any questions or concerns about our program please feel free to reach out. We are also available to help with parenting questions.
