

## Club House Newsletter January 2018

Happy New Year to everyone! We hope you all had a relaxing break and made lots of great memories with your family!

**Club House** - We are so excited to finally say the Club House is open for business last month. It has been 3 great weeks; time has gone by so fast. Please help spread the news.

**Parent Discussion Night** - January 16<sup>th</sup> from 6-7. This month's topic is New Behaviour Strategies, Time In. We always have a great discussion; we hope you can join us. We always provide free child care for the evening. It is open to the community, so you are welcomed to boring friends.

**Bears**- Are really enjoying helping with the cubs. It is really nice to see them help them wash their hands and having them sit on their lap for story time. Their favorite book was Santa's stuck. They really enjoy making different things with dirt, leafs and anything they can find and adding water. They are going to be great scientist when they grow up.

**Cubs**- Outside they enjoy playing in the sand box- especially making cakes and donuts out of sand. They also enjoy going down the slide and riding the tricycle. Inside they have been building with britzel blocks and with the cars and trains. Their favorite story was Brown bear, brown bear.

**Closed**- January 15<sup>th</sup> in observance of Martin Luther King Birthday

**P.M. snack**- Starting in January we will change the p.m. snack. Instead of having children sit down for snack, we will have it to go for the ride home. We will have a bowl of goldfish on kitchen counter with Dixie cups.

**Label your jackets** - If you label your child's outerwear we can make sure you get them back!

We look forward to 2018 and all the fun it will bring. As always please bring questions or concerns to us and thank you for our continued support!
