

"Where children learn through discovery and adventure"

The Tree House

Tid Bits

Start of the school year

The start of the school year is fun, exciting and maybe filled with a bit of anxiety for you and your children. We are happy to say that things are off to a great start here and we love getting to know all the children and families! We have a great mix of new and returning families and look forward to the school year ahead.

The August newsletter is just for the preschool families to help with a few reminders as we start the school year.

As many of you have heard our wonderful **Teacher Bria** has been given a great opportunity to work for Buckhorn catering full time and will no longer be able to work at The Tree House. We are sad to lose Bria but are happy and excited for her in this new venture. Maria will be filling in while we look for a new teacher to hire. If you have any leads feel free to pass our number on.

Family Picture - We are asking each family to bring in or text a picture of their family. We like to display family pictures for all the children to see. The younger children use the pictures as comfort when they are missing family and the older children like to show their friends their family.

Family Books - A fun tradition at The Tree House is our family books. We ask each family to put together a simple family page ([click here for example](#)). A small blurb about your family with a picture is all we need. You can make it as simple or fancy as you choose but remember we make black and white copies for the books. Feel free to add contact information so families can get ahold of you if they want to have a playdate. Please bring in or email to office@WintersTreeHouse.com We would like them all turned in by August 31st.

Friendly reminder to make sure your child has a **change of clothes** in their cubby.

Book order forms went in cubbies this week. This is completely optional. Scholastic is a great source of reasonably priced books. We do orders about every other month. You can place your order online or drop in the tub on the sign in table.

Make sure you have marked your calendar for our first **family night** on August 24th from 6:00 PM-7:00 PM. Taco night is a favorite for all. We cook and you get to come eat, visit with families and watch your children play.

Please let us know if you have any questions. We are here anytime you need us!
